Purchaser shall accept the Premises subject to all such violations without any liability of Seller with respect thereto or any abatement of or credit against the Purchase Price, except Seller will pay for any open fines and penalties related thereto.

If the limit of Seller's insurance policy with respect to a casualty at the Premises is less than the cost of restoration, then Purchaser shall be entitled to a further reduction in the Purchase Price in an amount equal to the difference between the cost of restoration and the limit of such insurance policy (less the deductible). The proceeds of rent interruption insurance, if any, shall on the Closing Date be appropriately apportioned between Purchaser and Seller.

or at the Closing, whichever is earlier, upon which termination, Escrowee shall deliver the Down Payment (and any interest earned thereon) to Purchaser, this Contract shall thereupon be null and void and neither party hereto shall thereupon have any further obligation to the other, except for those obligations and liabilities that are expressly stated to survive termination of this Contract. If Purchaser does not elect to terminate this Contract, then the Closing shall take place as herein provided, without abatement of the Purchase Price, and Seller shall assign to Purchaser at the Closing, by written instrument in form reasonably satisfactory to Purchaser, all of the insurance proceeds payable on account of any such fire or casualty, shall deliver to Purchaser any such proceeds or awards actually paid to Seller, and shall afford to Purchaser at Closing a credit against the balance of the Purchase Price in an amount equal to any deductible. The proceeds of rent interruption insurance, if any, shall on the Closing Date be appropriately apportioned between Purchaser and Seller.

(c) Seller agrees not to repair any damage to the Premises (other than emergency repairs) without Purchaser's prior written consent and not to incur Reimbursable Amounts totaling in the aggregate in excess of \$2,500 without Purchaser's prior written consent. Purchaser shall have the right to participate in any discussions, claims adjustments or settlements with insurance companies regarding any damage to the Premises.

(d) The term "Reimbursable Amounts" shall mean costs and expenses actually and reasonably incurred by or for the account of Seller in connection with fire or other casualty for (x) compliance with governmental ordinances, orders or requirements of any governmental department, agency or bureau having jurisdiction of the Premises, (y) safeguarding the Premises or any part thereof, including any protective restoration or (z) emergency repairs made by or on behalf of Seller (to the extent Seller has not theretofore been reimbursed by its insurance carrier).

8.02. Condemnation. If after the execution and delivery of this Contract and prior to Closing Date, any proceedings are instituted by any governmental authority which shall relate to the proposed taking of all or any portion of the Premises by eminent domain, or if any such proceedings are pending on the date of execution and delivery of this Contract, or if all or any portion of the Premises is taken by eminent domain after the date of this Contract and prior to the Closing, Seller shall promptly notify Purchaser in writing no later than two business days after Seller's receipt of any notification or the date of Closing, whichever occurs earlier. Purchaser shall thereafter have the right and option to terminate this Contract by giving written notice to Seller and Escrowee within thirty (30) days after receipt by Purchaser of the notice from Seller or on the Closing Date, whichever is earlier. If the Closing Date was scheduled to occur after the institution of such proceeding, the Closing Date shall be deemed adjourned in order that Purchaser shall have its full thirty-day period within which to determine whether or not to proceed with Closing. If Purchaser timely terminates this Contract, Purchaser shall be entitled to receive the Down Payment, together with any interest earned thereon, from Escrowee and this Contract shall thereupon be terminated and become void and of no further effect, and neither party hereto shall have any obligations of any nature to the other hereunder or by reason hereof, except for those obligations and liabilities that are expressly stated to survive termination of this contract. If Purchaser does not elect to terminate this Contract, the parties hereto shall proceed to the Closing and at the Closing, Seller shall assign to Purchaser all of its right, title and interest in all awards in connection with such taking and shall pay to Purchaser any award paid to Seller with respect to such taking. Purchaser shall have the right to participate in discussions or proceedings with any governmental authority relating to the proposed taking of any portion of the Premises.

12. Conditions Precedent to Closing

12.01 Subject to the terms of this Contract, Purchaser shall have no obligation to

consummate the transaction contemplated herein at the Closing unless:

12.01 All of Seller's representations as set forth in Section 4 hereof are true and correct in all material respects on the Closing Date, and Seller shall have performed and complied with all covenants, agreements and conditions required by this Contract to be performed or complied with by Seller on and as of the Closing Date.

12.02 The Title Company shall be prepared to issue an ALTA 2006 Owner's Policy to Purchaser pursuant to which the Title Company shall insure title to the Premises in accordance with such standard form policy, at standard rates, subject only to the Permitted Exceptions.

12.03 Purchaser shall have received all of Seller's Closing Documents (as set forth in Section 10 hereof).

13. Apportionments

13.01 The following apportionments shall be made between the parties at the Closing as of 11:59pm on the day prior to the Closing Date including all:

- (a) Rent, prepaid rents and Additional Rents (as defined in Section 13.03);
- (b) Intentionally omitted;
- (c) real estate taxes, water charges, sewer rents and vault charges, if any, on the basis of the fiscal period for which assessed, except that if there is a water meter on the Premises, apportionment at the Closing shall be based on a final water meter reading obtained by Seller, at Seller's sole cost and expense, dated not more than fourteen (14) days prior to the Closing Date, subject to re-adjustment after the Closing when the next reading is available. Seller shall provide the Title Company at the Closing an indemnity requested by the Title Company to omit any exceptions in Purchaser's title commitment with respect to water charges relating to the period prior to the Closing Date (this shall survive the closing);

(d) intentionally omitted;

(e) value of fuel stored on the Premises, at the price then charged by Seller's supplier, including any taxes; based on reading within 48 hours of Closing.

(f) any other items to the extent such matters are customarily apportioned in connection with real estate closings of commercial properties in the City of New York.

(g) If the Closing shall occur before a new tax rate is fixed, the apportionment of taxes at the Closing shall be upon the basis of the old tax rate for the preceding period applied to latest assessed valuation. Promptly after the new tax rate is fixed, the apportionment of taxes shall be recomputed. Any discrepancy resulting from such recomputation and any errors or omissions in computing apportionments at Closing shall be promptly corrected, which obligations shall survive the Closing.

13.02 If any tenant is in arrears in the payment of rent on the Closing Date, rents received from such tenant after the Closing shall be applied in the following order of priority: (a) first to month of closing; (b) next to any months following the month in which the Closing occurred; (c) third to the period prior to the month in which the Closing occurred; and (d) the balance, if any, to Purchaser. If rents or any portion thereof received by Seller or Purchaser after the Closing are payable to the other party by reason of this allocation, the appropriate sum, less a proportionate share of any reasonable attorneys' fees, costs and expenses of collection thereof, shall be promptly paid to the other party, which obligation shall survive the Closing.

13.03 If any tenants are required to pay percentage rent, escalation charges for real estate taxes, operating expenses, cost-of-living adjustments or other charges of a similar nature ("Additional Rents") and any Additional Rents are collected by Purchaser after the Closing which are attributable in whole or in part to any period prior to the Closing, then Purchaser shall promptly

pay to Seller Seller's proportionate share thereof, less a proportionate share of any reasonable attorneys' fees, costs and expenses of collection thereof, if and when the tenant paying the same has made all payments of rent and Additional Rent then due to Purchaser pursuant to the tenant's Lease, which obligation shall survive the Closing. Any Additional Rents due from tenants will first be credited to amount due Purchaser and provided same is paid current to Purchaser and tenants remain current with Purchaser, any Additional Rents collected will then be applied to any arrears, if any, owed by such tenants. Seller will order and obtain a final title meter reading prior to closing and, if applicable, DEP frontage reconciliation.

14. Objections to Title, Failure of Seller or Purchaser to Perform and Vendees' Lien

14.01 Purchaser shall promptly order an examination of title and shall cause a copy of the title report to be promptly forwarded to Seller's attorney after receipt. Seller shall be entitled to a reasonable adjournment or adjournments of the Closing for up to 60 days in the aggregate to remove any defects or objections to title which may be disclosed on or prior to the Closing Date.

14.02 If Seller shall be unable to convey title to the Premises at the Closing in accordance with the provisions of this Contract, except for Seller's willful default, Purchaser, nevertheless, may elect to accept such title as Seller may be able to convey with a credit against the monies payable at the Closing equal to the reasonable estimated cost to cure the same (up to the Maximum Expense described below), but without any other credit or liability on the part of Seller. If Purchaser shall not so elect, Purchaser may terminate this Contract and the sole liability of Seller shall be to cause Escrowee to refund the Down Payment (together with interest thereon, if any) to Purchaser and to reimburse Purchaser for the net cost of title examination, but not to exceed the net amount charged by Purchaser's Title Company therefore without issuance of a policy, and survey cost, if any and all actual out-of-pocket costs incurred by Purchaser in

connection with its due diligence, including, but not limited to, reasonable attorneys fee. Upon such refund and reimbursement, this Contract shall be null and void and the parties hereto shall be relieved of all further obligations and liability other than any arising under Section 14.01 or as otherwise expressly provided herein to survive the termination of this Contract. Seller shall not be required to bring any action or proceeding or to incur any expense in excess of the Maximum Expense specified in Schedule D (the "Maximum Expense") to cure any title defect or to enable Seller otherwise to comply with the provisions of this Contract. . Nothing herein shall be construed to limit Seller's obligation to pay at or prior to closing in full all consensual liens, open mortgages, known monetary liens, real estate taxes, water/sewer charges and actual charges, and/or to provide customary documents required to be delivered pursuant to the Contract.

14.03 Any unpaid taxes, water charges and sewer rents, together with the interest and penalties thereon to a date not less than oneday following the Closing Date, and any other liens and encumbrances which Seller is obligated to pay and discharge or which are against corporations, estates or other persons in the chain of title, together with the cost of recording or filing any instruments necessary to discharge such liens and encumbrances of record, may be paid out of the proceeds of the monies payable at the Closing if Seller delivers to Purchaser on the Closing Date official bills for such taxes, assessments, water charges, sewer rents, interest and penalties and instruments in recordable form sufficient to discharge any other liens and encumbrances of record and the Title Company duly omits from its title policy any exceptions therefore. Upon request made a reasonable time before the Closing, Purchaser shall provide at the Closing separate checks for the foregoing payable to the order of the holder of any such lien, charge or encumbrance and otherwise complying with Section 2.02.

If Purchaser shall materially default in the performance of its obligation under this Contract to

purchase the Premises, the sole and exclusive remedy of Seller shall be to retain the Down Payment as liquidated damages for all loss, damage and expense suffered by Seller, including without limitation the loss of its bargain. If Seller shall willfully default under this Contract, Purchaser shall be entitled to all remedies available at law and in equity, including; without limitation, specific performance. In the event of Purchaser's default, Seller shall give a written notice of default to Purchaser and Purchaser shall have 48 hours from the date and time of such notice to cure the default.

14.04 Purchaser shall have a vendee's lien against the Premises for the amount of the Down Payment, but such lien shall not continue after default by Purchaser under this Contract beyond any applicable notice or cure period, together with all other remedies at law. If Seller shall default in the performance of Seller's obligations under this Contract, the Purchaser shall be entitled to either (a) terminate this Contract and received a refund of the Down Payment, together with interest earned thereon, if any, and a reimbursement of title survey, , or (b) seek specific performance of Seller's obligations hereunder. Notwithstanding the immediately preceding sentence, in the event remedy of specific performance is not an available, Purchaser shall have all other remedies available to it in law and/or equity.

15. Broker

15.01. Except as otherwise provided herein, Seller and Purchaser represent and warrant that they have dealt with no broker in connection with this transaction other than Win Morrison Realty (the "Broker") and that neither Seller nor Purchaser knows of any other person or entity who has claimed or may have the right to claim a commission in connection with this transaction. The parties agree to indemnify and defend each other against any cost, expense, including reasonable attorneys' fees arising out of the breach of their respective parts of any representation

contained in this paragraph. Seller shall pay the Broker the brokerage fee in accordance with a separate brokerage agreement. Purchaser shall indemnify Seller from any cost, expenses including legal fees and costs incurred by Seller in connection with any claim by any other brokers other than the Broker to the extent Purchaser has dealt with another broker. Seller shall indemnify and hold Purchaser harmless, including reasonably legal fees, from any claims made by any other brokers who claim that they have dealt with Seller and are not referenced herein. This section shall survive the closing of title.

18.02 The delivery of the deed by Seller, and the acceptance thereof by Purchaser, shall be deemed the full performance and discharge of every obligation on the part of Seller to be performed hereunder, except those obligations of Seller which are expressly stated in this Contract to survive the Closing.
